To our residents

This directory is brought to you through the efforts of the Shawangunk Town Board and the Walker Valley and Wallkill Community Enhancement Committees. It has been printed courtesy of the Shawangunk Correctional Facility print shop at no cost to the town.

It is our intention through this directory that our residents will become more aware of our local businesses in the Town of Shawangunk and to patronize them for their needs. Please retain for future reference as you find appropriate.

If you are a business physically located in the Town of Shawangunk and would like to be included in future editions, please contact us through our email address wvenhancement@yahoo.com or call my office at (845) 895.2900.
