

TOWN OF SHAWANGUNK
REQUEST FOR PROPOSALS FOR
ENGINEERING SERVICES

NOTICE IS HEREBY GIVEN, that the Town Board of the Town of Shawangunk is seeking proposals from qualified engineering firms for the following, but not limited to:

- Review and advise the Planning Board on applications including Storm Water plans
- Prepare and file the Town's Annual MS4 Storm Water Report
- Advise and assist the Highway Superintendent on road issues
- Assist and design, including repairs and improvements to town buildings and sidewalks
- Advise the Building Inspector on issues that exceed his certification level
- Assist the Town in identifying and applying for grants and other available funding opportunities
- Provide onsite oversight on construction projects if needed

Please include company profile with years of service of the individuals who will be assigned to work with the Town, along with the fee schedule for each.

The Town Board may conduct interviews prior to their final decision to retain.

Proposals must be submitted by Friday, February 10, 2023 by the close of business. Proposals can be submitted to Supervisor John Valk at P.O. Box 247 Wallkill, NY 12589, or at 14 Central Avenue, Wallkill, NY 12589, or by email at townsupervisor@shawangunk.org. Questions can be directed to Supervisor John Valk @ 845-895-2900.

January 20, 2023

Jane P. Rascoe, Town Clerk
