

TOWN & COUNTY:

HOW DOES YOUR GOVERNMENT WORK?

Join Town of Shawangunk Supervisor Ken Ronk, Jr. and Deputy Ulster County Executive James Amenta for a forum on local government. What services do our town and county governments provide? Who does what? How are projects funded? Where do our tax dollars go? What about our roads and bridges? Each official will discuss their organization and its responsibilities and will be prepared to respond to questions. Light refreshments will be provided.
